

# Monsoon Rheumatology Summit

21<sup>st</sup> & 22<sup>nd</sup> of July, 2018 @ Kochi

Dear colleague

We are pleased to invite you to join us for the **Monsoon Rheumatology Summit** to be held at Cochin on 21st and 22nd July. The topic for this year will be **Axial SpA** and **Scleroderma**. We are having eminent International and National faculty attending the summit

We are also looking forward for challenging cases as well as original research on *Axial SpA and scleroderma*

## CHALLENGING CASES:

- Send abstract of challenging cases with therapeutic problem as a word file in a standard format
- Mention 2 or 3 relevant questions related your case at the end of your case
- These questions will be discussed by the eminent panellists
- Selected cases will be chosen for podium presentation and discussion.
- It will be a great opportunity to interact with key opinion leaders.
- **Please submit you abstracts before May 15**

## ORIGINAL RESEARCH:

- We also invite original research done in Scleroderma or Spondyloarthropathy.
- Selected abstracts will be given podium presentation.
- This is an opportunity to project the original research to the world.

***Last day for the submission – May 31***

### HOW TO SUBMIT THE ABSTRACT ?

Mail the abstract to [monsoonsummit@gmail.com](mailto:monsoonsummit@gmail.com) with a cc to [drdpshenoy@gmail.com](mailto:drdpshenoy@gmail.com)

Best cases and abstracts will be given awards

***Hurry up and grab this opportunity***
